### 7441 ELECTRONIC SURVEILLANCE IN SCHOOL BUILDINGS AND ON SCHOOL GROUNDS

The Board of Education authorizes the use of electronic surveillance systems in school buildings and on school grounds to enhance the safety and security for school district staff, pupils, community members, and other building occupants and to protect the school district's buildings and grounds.

The content produced by the surveillance system under certain circumstances may be considered a pupil record, in which it will be subject to the Board of Education policy and regulations regarding confidential pupil records. If the content of the surveillance system becomes the subject of a disciplinary proceeding, it shall be treated like other evidence in the proceeding, and the district declares such use to be a legitimate educational interest.

The following statement shall be posted in a prominent, public place in buildings and on school grounds where electronic surveillance equipment may be used:

"Notice: All activities monitored by video camera"

In addition to posting, the district shall notify school staff members, parent(s) or legal guardian(s), and pupils that electronic surveillance may be used in school buildings and on school grounds through publication in pupil and staff handbooks, school calendars, notice sent home with pupils, or any other effective means to publish the district's use of electronic surveillance equipment in school buildings and on school grounds.

Adopted: 13 August 2008

### R 7441 ELECTRONIC SURVEILLANCE IN SCHOOL BUILDINGS AND ON SCHOOL GROUNDS

In order to enhance a safe and secure environment, the Board authorizes electronic surveillance devices to be used on district property and on school grounds.

#### A. Recording and Notice

1. Surveillance devices may include, but are not limited to, sound/video cameras, audio recording devices, and other appropriate devices.
2. Recordings may be used to monitor and observe the conduct of school district staff, pupils, community members, and other person(s) in school buildings or on school grounds.
3. Notice regarding the use of surveillance devices will be posted in school buildings or on school grounds where surveillance devices may be used.

#### B. Pupil Records and Notice

School district personnel will comply with the provisions of applicable law regarding pupil record requirements including the Family Education and Privacy Act and the Individual with Disabilities Education Improvement Act. Recordings considered for retention, as a part of a pupil's behavioral record, will be maintained in accordance with established pupil record procedures governing access, review, and release of pupil records.

#### C. Staff Records and Notice

1. Recordings considered for retention as part of the employee's personnel record will be maintained in accordance with established Board personnel policies, administrative regulations, applicable law, and any labor agreements governing access, review, and release of employee personnel records.
2. The district will provide notice to pupils, parent(s) or legal guardian(s), and school staff members that surveillance devices may be used in school buildings and on school grounds.

### D. Storage/Security

1. All recordings will be stored by the Superintendent or designee, and secured to ensure confidentiality.

### E. Use

1. The determination of the location of surveillance devices shall be made by the Superintendent.
2. Tampering with or otherwise interfering with surveillance equipment is prohibited. Any individual found tampering with equipment shall be subject to discipline.

### F. Viewing or Listening

1. Initial viewing or listening to recordings will be done by the Superintendent or designee.
2. Requests for viewing or listening will be limited to persons with a direct interest in any proceedings, disciplinary or otherwise, resulting from the recordings, as deemed appropriate by the Superintendent or designee.
3. Only the portion of the recording concerning a specific incident will be made available for viewing.
4. Viewing or listening to the recording will be permitted on school property or as otherwise required by law.
5. All viewing will be in the presence of the Superintendent or designee.
6. A written log will be maintained by the Superintendent or designee of those viewing video recordings including date of viewing, reason for viewing, the date the recording was made, and the signature of the viewer.
7. Video recordings remain the property of the district and may be reproduced only in accordance with law, including applicable district pupil records policy and procedures and district personnel records policy, procedures and applicable labor agreements.
